Whilst this report is based on the information from sources which are considered reliable, no warranty or guarantee is given, regarding the accuracy or reliability of the content and MF Global Australia, its Directors, employees and consultants will not be liable to any person, for any loss or damage, arising as a result of any action or inaction taken. Nor does MF Global Australia, its Directors, employees and consultants accept any responsibility to inform you of any matter that subsequently comes to its notice, which may affect any of the information contained in this report. You expressly acknowledge and agree that the use of the information and data is AT YOUR OWN RISK and that MF Global Australia and the third party providers will not be liable for any consequential, incidental or special damages. These damages include, but are not limited to any lost profits or trading losses arising out of or relating to the use or inability to use the data and information provided.

Disclaimer:

This notice contains general information only and does not constitute financial product advice. Derivative products can be risky and are not suitable for all investors. MF Global Australia recommends customers seek independent advice. A MF Global Australia Product Disclosure Statement (PDS) is available through the website www.mfglobal.com.au and should be considered prior to trading MF Global's derivative products. Investing in derivatives carries a high level of risk to capital, and due to the potential volatility and fluctuations in value, investors may not get back the amount of their original investment. In certain circumstances an investor may be liable to pay a far greater sum, with losses being higher than an initial deposit.
